Gym Strip : Students in Grades 5-8 will need to change into a gym strip (shorts & t-shirt) for their Physical Education class.

Non-marking shoes must be worn (can be the same shoes as indoor pair).

Gym strip should be stored in a bag and taken home to be washed regularly.

We suggest two gym strips so that one can be available when the other is being washed.

Combination Lock: One lock will be provided at no charge for students entering Grade 5 or new enrollments in Grades 6-8.

School-issued locks are preferred as they have key override in case of lock troubles. Students may bring a lock from home, but please be advised that it may need to be cut off if troubles arise.

Backpack : Please note that Cochrane Family & Community Support Services (FCSS) runs a 'backpack program' providing assistance with school supplies for families in need. Please call 403-851-2250.
