2019-2020 Grade 7 & 8 Course Selection Form

Please return to your school before June 20, 2019

Student Name: _____

Date: _____

Required Courses - Grade 7 & 8 students are enrolled automatically into English Language Arts, Social Studies, Mathematics, Science, Physical Education, and Health and Life Skills.

Option Courses - In addition to the required courses above, Grade 7 & 8 students will take 12 additional Option Courses (7 if taking Band - 6 Option "A" courses and Band for all of Option "B") each approximately 6 weeks in length. To help us with programing, please rank the options on the back page, in each Term from 1-4 (most desired to least desired).

While every effort will be made to give students their preferred option courses, due to the complexity of scheduling it may not be possible for a student to receive all of their preferred choices.
