

# Welcome to Grade 6

Mrs. Loewen & Mrs. Melton

## Communication

We value communication with parents. The best way to communicate with us is via email.

[komelton@rockyview.ab.ca](mailto:komelton@rockyview.ab.ca)

[mloewen@rockyview.ab.ca](mailto:mloewen@rockyview.ab.ca)

We will send a monthly curricular newsletter to inform parents about what we are learning and important dates.

Students will also write messages, due dates, important events and work to be completed in their agendas a few times a week.

We will call home on an as needed basis.

## First Week Back

We will work on establishing routines such as mask wearing, entering and exiting the school, hallways, recess and lunch procedures. This is all new to us this year and we appreciate your patience.

## Homework

Our philosophy is that most work should be done at school. If a student hasn't finished their work at school, the expectation is that it will be completed at home and brought back the next day.

# Helpful Information

## Curriculum

This term we are focusing on:

**Math:** NUMBER SENSE

**LA:** NON-FICTION

READING AND WRITING

**SCIENCE:** TREES AND FORESTS

**SOCIAL:** DEMOCRACY

**HEALTH:** RELATIONSHIP CHOICES

Please refer to

<https://www.learnalberta.ca/content/mychildslearning/grade6.html>

for further information regarding the Grade 6 curriculum.

Students are encouraged to read daily at home (15-20 minutes).

It is the understanding that students should have mastery of their basic math facts, but not all students do. We recommend practice of these with cue cards, iPad games, or parent generated questions.
