2023/24 School Education Plan At-A-Glance

This Year We Worked On:

- Increasing the number of students that are reading "at" or "above" grade level.
- Increasing opportunities for students to learn about other cultures and peoples.
- Increasing our school-wide understanding, and use, of our Positive Behaviour Intervention and Support (PBIS) systems.

You Can Help By:

- Reviewing the Literacy Information Brochure that the school sends out 3 times a year.
- Reviewing school communication to learn about the cultural experiences occurring; then, engage in conversations with your children about the experiences.
- Attend school council meetings to learn about our PBIS progress, engage in discussions, and learn PBIS language that can be reinforced at home.

Next Year You Can Look Forward To:

- Continued focus on literacy development.
- Connections with Indigenous Elders and Knowledge Keepers to guide our learning about the land we share.
- Ongoing engagement with strategies and tools that will continue to enhance our PBIS progression.
