Hello Fireside Families & Friends,

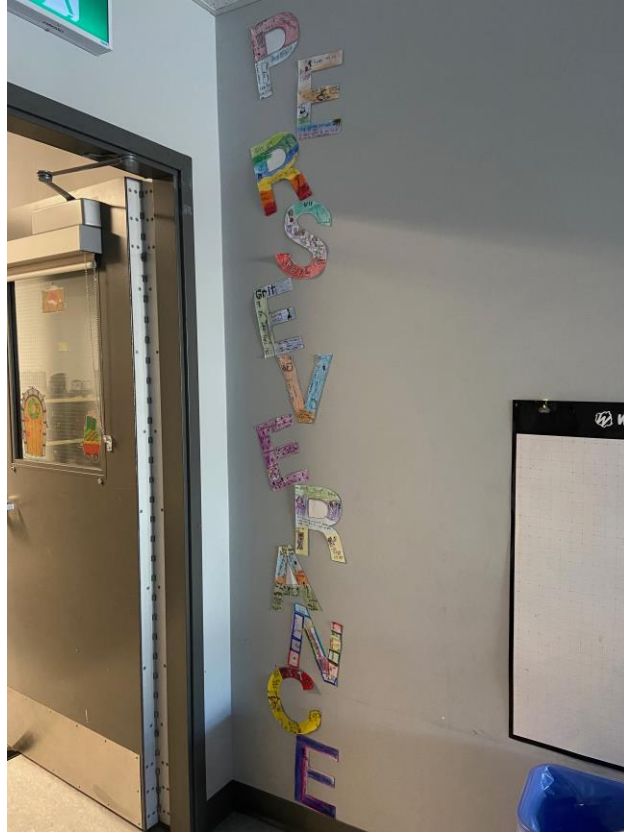

It's hard to believe, but we just passed the midpoint of the school year! In some ways, we can't believe it got here so fast. In other ways, we're wondering why it's not already spring (we think we can thank the unseasonable weather for that).

It was a great week at Fireside, where Read-a-Thon hit full steam following the previous Friday's reading chain kickoff. Our students have been racking up the minutes, both in school and at home. Draw prize bins are filling up with tickets from readers who have been logging extra reading minutes at school. A big thanks to all of you, our Fireside Families, for your support of Read-a-Thon and with helping your kids to build their love of reading. Week 1 minutes can be entered into the [Online Tracker](#). Please get them in before Sunday (Feb 4) to ensure your kids make it into the Week 1 prize draws.

Our Positive Behaviour theme for January has been "perseverance." Students in all grades learned about the value of working their way through difficult obstacles and challenging themselves to improve, whether that's on a hard math problem, a piece they're learning in music, or their crossover dribble in basketball.

We'd like to take a moment to thank the many volunteers who have been in the school for the first half of the year. Make a mental note to watch for information about our Volunteer Appreciation event in the spring. Among the many invitees will be the squad of Grade 2 parents who were in this week, surrounded by mini marshmallows, gluing them onto model igloos. Iqaluit Day is approaching (Feb. 8), where our Grade 2 students showcase and experience aspects of Inuit culture. This is one of many opportunities students get to learn about Indigenous cultural practices and ways of knowing in Canada.

It looks like temperatures will start dipping a little next week with a touch of snow to come on the weekend. Please double check that your kids have their winter gear, and if it looks like there may be some articles missing, feel free to pop in after school to have a look through the lost and found racks.

Have a wonderful weekend everyone!

Dave Banderk (Principal; [dbanderk@rockyview.ab.ca](mailto:dbanderk@rockyview.ab.ca))

Tara Sly (Assistant Principal, Grades K-4; [tsly@rockyview.ab.ca](mailto:tsly@rockyview.ab.ca))

*Read-a-Thon is ON! -- Week #1*

---

Week #1 of Read-a-Thon is now behind us and it has been a flurry of pages here at school. Many students have already closed in on their reading goal and have set new ones for the week to come. And many students and staff came dressed as their favourite book character today for Dress as Your Favourite Character Day! (Many also brought their favourite book to be able to share that Book Love with their classmates!)

Guest Readers from Rocky View Schools joined us this week in many classrooms: Ryan Reed (Area Director), Sharon Cronin (Director of Instructional Leadership), Murray Besenski (Associate Superintendent), and Greg Luterbach (Superintendent). Our School Resource Officer, Constable Moore, also joined us. We are very grateful for their time and that they are helping us build toward our reading goals. 500,000 minutes doesn't seem that far off after only Week #1!

So, it is now time to enter the Week #1 Reading Minutes! Please help your child put their reading minutes for Week #1 into the Fireside School Read-a-Thon [Google Form online](#). Week 1 minutes include both At School and At Home/On Own minutes between Jan 26 through Feb 2. You can [submit minutes](#) for these dates between Friday, Feb. 2 and Sunday, Feb 4. Instructions for how to enter information is at the top of the [Read-a-Thon 2024 Google Form](#) to help you along. The first page has a drop down menu to enter Name, Grade, Teacher's Name, and then it will take you to the space for minutes entry. If you have any questions about entering minutes, please get in touch with us at [fireside@rockyview.ab.ca](mailto:fireside@rockyview.ab.ca)

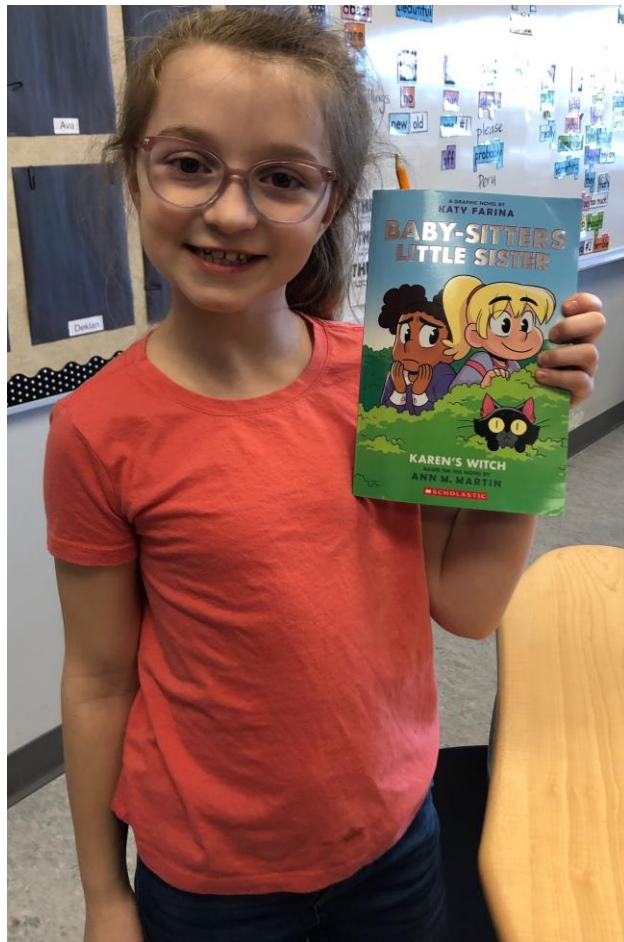

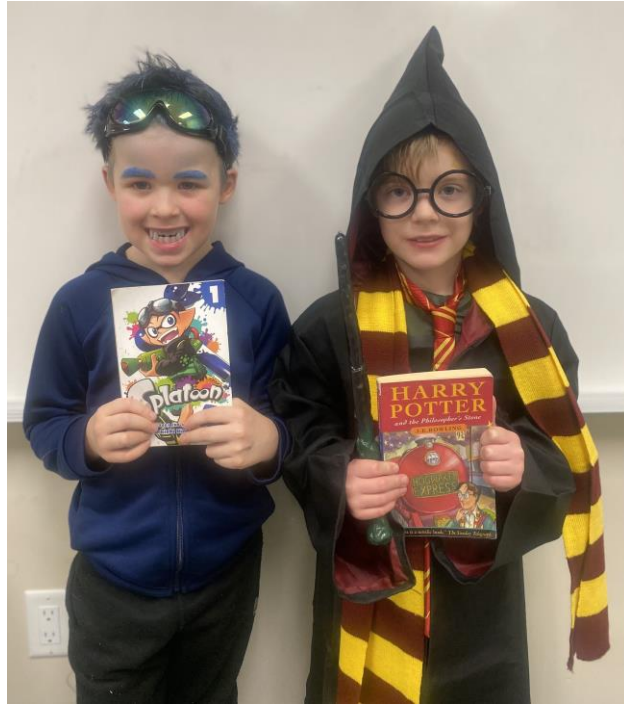

One thing you'll need to do first on the Master Tracker Form for your child: please total the At School minutes in the space provided; please total the At Home/On Own minutes in the space provided. These are the 2 numbers you'll need to enter in the [Read-a-Thon 2024 Google Form](#). Your child's Homeroom

Teacher sent home this week At School Minutes for Week #1 for you to include on the Master Minutes Tracker.

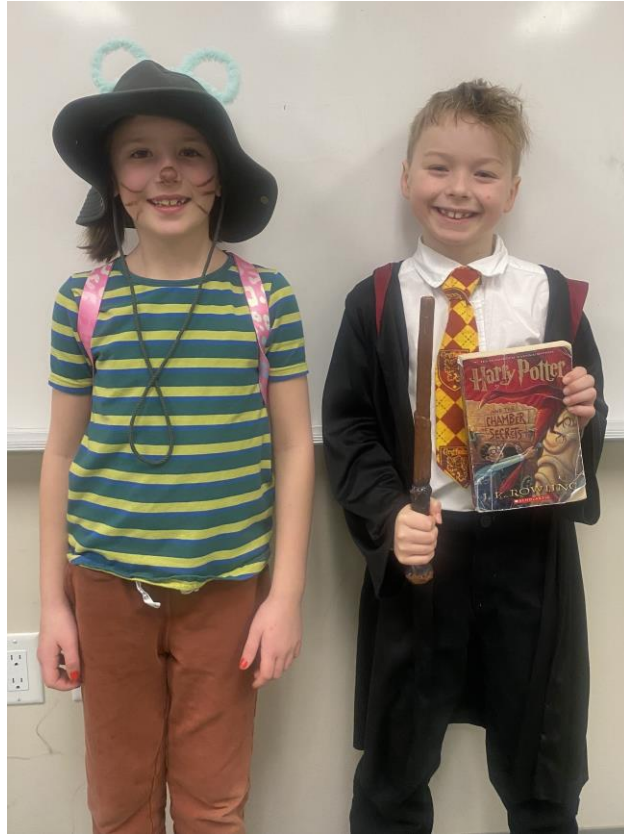

We have one more week of Read-a-Thon at school before its conclusion on Monday, February 12. As they reach reading goals, share their reading with others, and read read read for Week 2 next week, students will again have the opportunity to receive draw ballots from staff members; those ballots can be entered in for Week #2 draw prizes. Entries can be put in Mondays, Wednesday, and Friday. So, Read ON for Read-a-Thon! Our first set of draw prizes will be given out Tuesday.

*1 - Buddy Reading!*

Master Tracker Forms and Pledge Forms are due back to Homeroom Teachers on Tuesday, February 13. This information will be used to confirm reading minutes and will help us know which students are eligible to be entered into the draws for reaching specific minutes benchmarks during Read-a-Thon; these draws will be presented at our Celebration Assembly. It will also help us to know the top reader in each grade (receives a \$40 Indigo Gift Card, kindly sponsored by Friends of Fireside), and those students who read every day of Read-a-Thon (who will then be entered in a draw for 1 of 4 Calaway Park passes or 1 3-month Family Pass for SLC). The Celebration Assembly will occur the last week in February or first week in March; please stay tuned for updates as we get nearer to that time.

We have added a new sponsor this week: the Cambridge Group. We would like to thank them for their generous support in addition to thanking this year's generous Community Sponsors and Partners: Friends of Fireside Society, Cochrane Movie House, Found Books & Shop, BVHS Performing Arts, Calaway Park, Calbridge Group, Spray Lake Sawmills Family Centre, MacKay's Ice Cream, Fireside McDonalds, The Messy Moose Kids Art Studio, reetbeet Designs, the Fossheim Family, and the Gillies Family. We truly appreciate their support of our learners and programs. As we are also still welcoming new sponsors, so we will keep you up-to-date.

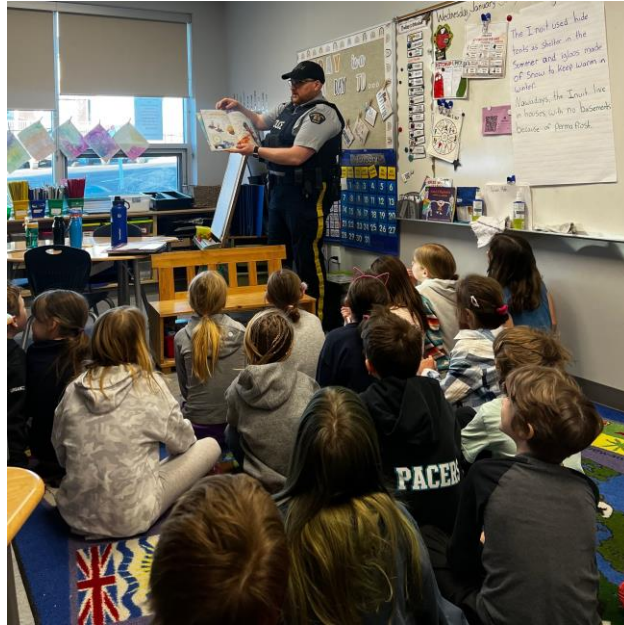

For more information on all things 2024 Read-a-Thon, here is a [PowerPoint](#) with Quick Facts about it. If you have any questions, please reach out to us.

### *Friends of Fireside Updates (March Madness is coming...)*

---

Get ready for an exhilarating March with Friends of Fireside! We are thrilled to announce two fantastic events that are sure to bring excitement and valuable experiences to our community.

#### 🥳 March Madness: A Whirlwind of Prizes! 🥳

March at Fireside is not just about the arrival of spring; it's about celebrating our community with an extraordinary event – *March Madness*! Imagine 20 days filled with surprises, joy, and the chance to win incredible prizes. Here's what you need to know:

- **Daily Draws:** For 20 days, we will be drawing two prizes daily, and Fridays are extra special with three prizes!
- **The Grand Finale:** The event culminates in a breathtaking grand prize draw worth nearly \$900!
- **Total Prize Value:** We're giving away prizes worth over \$7000!
- **Get Your Tickets:** Dive into the fun by purchasing tickets at [www.friendsoffireside.ca](http://www.friendsoffireside.ca).

#### 🧑‍🎓 Babysitting and Home Alone Course: Last Chance to Register! 🧑‍🎓

In addition to March Madness, we're also hosting the ever-popular *Babysitting and Home Alone* course. This is a fantastic opportunity for our young learners to gain valuable life skills. Here's why you should consider enrolling your child:

- **Registration is still open but spots are limited.** Ensure your child doesn't miss out on this beneficial experience.

Join us in making March a month to remember with Friends of Fireside. Whether it's winning a prize in March Madness or empowering our kids through learning, there's something for everyone. Let's come together to celebrate, learn, and grow as a community!

Our next meeting is this coming Wednesday, February 7.

Looking forward to seeing you all participate in these wonderful events!

*The Reading + Giving Tree in Mr. Russell's Class*

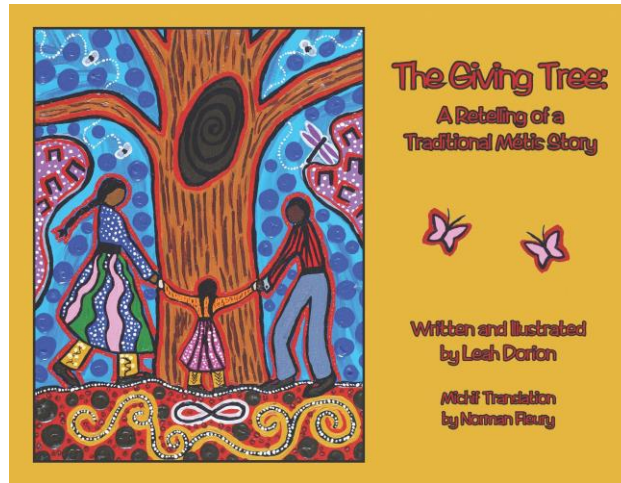

Check out the Grade 2 Reading Tree in Mr. Russell and Ms. Felesky's (Student Teacher) classroom! They've curated an engaging space dedicated to fostering a love for reading, aligning with this month's Read-A-Thon theme, "Growing Readers."

Their choice of a tree has two connections: one is Read-a-Thon and the other a class engagement project that will start in February.

The tree first mirrors the growth that can occur with care and time for young readers, who can thrive through consistent reading practice and engagement. Each leaf on our tree represents the students' independently set reading goals, showcasing the variety of minutes they aim to accomplish throughout Read-a-Thon. At the heart of our tree, our friendly companion named 'Hoot' (chosen by the students) oversees our reading space and proudly displays the collective class goal...10,000 minutes!

In addition, the class's journey with their Reading Tree doesn't end with Read-A-Thon. At the end of February, they will redesign their tree into a symbol of essential core values. Ms. Felesky will lead the class in a book study of the picture book *The Giving Tree: A Retelling of a Traditional Métis Story* by Leah Dorian. Students will engage in student-centered explorations of core Métis values that nurture the whole human: strength, courage, kindness, tolerance, honesty, respect, love, sharing, caring, balance, and patience. The students will actively participate in various hands-on learning activities that involve collaborative learning within the school community, creative projects, and real-world applications. We look forward to bringing you updates on their projects in February and March.

### ***P3 Hockey Academy at Mitford School: Information Evening***

---

On February 8, Mitford School will be hosting an Information Evening for the newly approved P3 Hockey Academy that will be there for next school year (2024-25). This program has successfully run at Ecole Manachaban since 2018 and now it's Mitford's turn.

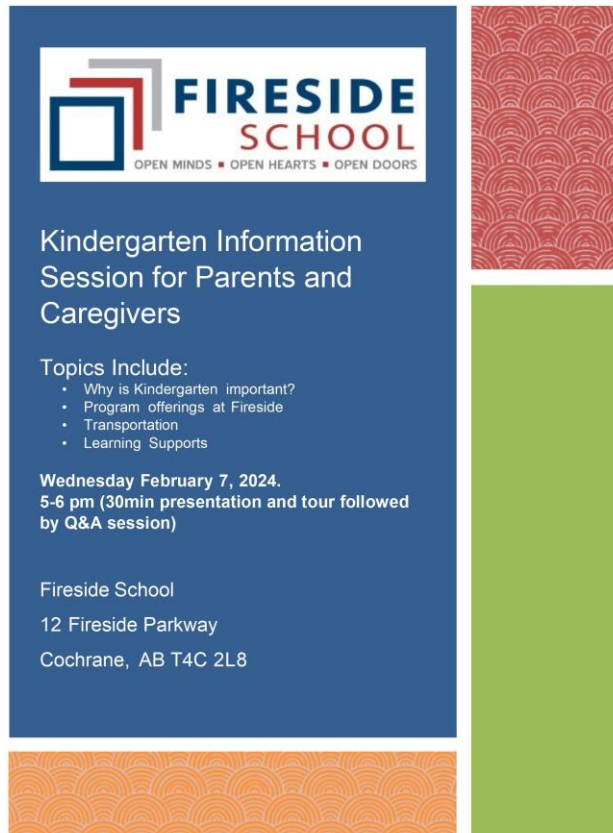

This meeting is open to families of current Grade 6 and 7 students (who will be in Grade 7 and 8 next year) who might be interested in attending. To answer any questions and provide more details about the program, they invite families of current Grade 6 and 7 students (who will be in Grade 7 and 8 next year) to join them for an Information Night at 6:30 pm on February 8th, 2024. The session will be held at Mitford Middle School, located at 110 Quigley Drive, Cochrane. The evening will include an engaging presentation, and the school's team will be available to address any inquiries you may have. It's a fantastic opportunity to gain insights into how this program can benefit your child's overall development.

#### **Key Details about the Hockey Academy Program:**

- Frequency: The program will run two times per week, providing students with a well-rounded and immersive experience.

- Location: All sessions will take place at the Spray Lakes Sports Center in the heart of Cochrane, ensuring a first-class environment for skill development, enjoyment, and efficiency. We have access to the 3 ice surfaces as well as our premium P3 Training Facility above Totem 1.
- Transportation: We understand the importance of convenience for parents. Thus, P3 Sports will take care of transporting the students to the rink on the scheduled academy days. Parents will kindly be asked to arrange pick-up from the facility on those specific days.

If you have any questions or want further information on this session, please contact Mitford School: (403) 932-4457.

***Updated: Kindergarten 2024-25 Registration and Information Session***

---

Next Wednesday, February 7, we are pleased to welcome parents and caregivers whose children will be starting Kindergarten in September 2024 to our Kindergarten Information Session. (Children who are five years old on or before December 31, 2024 may register in Kindergarten for the 2024–25 school year.)

This evening will run from 5:00 to 6:00 pm here at the school. We'll be sharing information about what to expect in Kindergarten, along with other important information about attending Fireside School. A tour of our Kindergarten rooms and school, along with a Q&A session, will follow. If you have any questions about this event, please contact us: [fireside@rockyview.ab.ca](mailto:fireside@rockyview.ab.ca) or 403-932-4868.

Online registration for Kindergarten in the 2024-25 school year is now open. Information can be found on the [Rocky View Schools website](#), with instructions for registering on [School Engage](#).

### *Reminder: PowerSchool*

---

We wanted to extend a friendly reminder to families that a critical tool for communication of student learning is PowerSchool. Teachers report student achievement on curricular outcomes here and also use the platform to record comments on assessments of learning.

Click the link to access the web version of the [PowerSchool Parent Portal](#). Additional information about PowerSchool, as well as login instructions can be found [here](#). Parents can enable email notifications when updates are made. A mobile [app](#) is also available that can provide similar alerts. However, we'd like to note the mobile version of the platform does not have as much functionality (information) as the web version.

If you're having difficulty logging in or using the platform, you can email or call the PowerSchool Support Desk ([pssupport@rockyview.ab.ca](mailto:pssupport@rockyview.ab.ca), 403.945.4115).
