From the Admin Desk

Hello Fireside Families & Friends,

Much like the week following Christmas Break, we were greeted by a blast of arctic air to start the week. After a few indoor recesses and gym classes, we were able to head back out to enjoy some sunny winter days. Looking ahead, we can see another cold snap on the horizon, including Monday. Please double check those backpacks for mitts and toques this weekend.

The week was highlighted by Wednesday's Pink Shirt Day, where we engaged, promoted, and celebrated anti-bullying efforts, both in our school and broadly. Students shared their hopes and intentions for making a kinder, more inclusive world through pink shirt posters made by each class. We also had Constables Moore and Epp visit our school to discuss cyberbullying and cyber safety with our grade 6s.

1 - MSLC Teamwork Activity

2 - Pink Shirt Day Posters

3 - Junior Boys B Basketball

Fireside was excited to host the year's first Junior B Boys basketball tournament on Friday, while the girls were away at Bears paw. As we write this, the boys are in a close game against their crosstown rivals from Manachaban. We're also thrilled to announce that Grade 6 basketball is under way with Fireside fielding THREE teams of girls and THREE teams of boys this year. It's a rare feat for one school to have so many participants, and we're excited to have so many of our kids keen to play. Go Hawks!!

Several Grade 6, 7 and 8 student leaders represented Fireside in the annual Middle School Leadership Conference (MSLC) at the Education Center in Airdrie. They were excited to participate in personal development and team building activities. Special kudos to Laura Wright, Lyle Fernando, and Scarlett Van Der Gulik who presented to the 100+ attendees on our school's leadership programs and our Fireside Families.

Wishing everyone an enjoyable weekend!

Read-a-Thon Celebration Assemblies

Read-a-Thon Celebration Assemblies will be held next Thursday, March 7. Parents and caregivers of recipients were notified by email today. At these assemblies, we will recognize over 80 draw prize winners (generously sponsored by our Community Sponsors), the draw prize winners for fundraising and for reading every day of Read-a-Thon (generously sponsored by Calaway Park, SLC, and The Messy Moose Art Studio), the top reader in each grade (generously sponsored by Friends of Fireside), the top fundraiser, the top reader in the school (who will also receive a Golden Ticket to *Willy Wonka's Charlie and the Chocolate Factory* courtesy of Bow Valley High School Performing Arts), and the top 3 readers in K-4 and 5-8 (generously sponsored by Calbridge Group).

Super Draw prizes will be drawn early next week. Many students have received green ballots to enter the draws based on reaching amazing reading benchmarks and achieving personal reading goals. There is much excitement about how we're celebrating the end of what was truly an excellent Read-a-Thon this year. If you happen to be in the school, you can see the Read-a-Thon tracker in the Learning Commons. Our "growing readers" read over 80,000 minutes this year: so amazing and well above our goal. Way to go Hawks!

The front doors of the school will open at 5:45 on Tuesday, March 26th. Students will go directly to their homerooms, while audience members find seating in the gymnasium. The show will run from 6:00-6:50. See you then!

Allergy Awareness and Scent-Free Policy

Fireside School has a number of students and staff who are highly sensitive to certain allergens. We ask that all people entering the school please refrain from wearing perfume, cologne, body sprays, scented products, and essential oils. We also ask that nuts and nut products also remain out of the school.

- Please refrain from wearing perfume, cologne, or scented products when coming into Fireside School, including meetings, conferences, volunteering, and tournaments.
- Please refrain from bringing perfumes, colognes, or scented products into our school and (most especially) from spraying them in the school.
- We are a Nut-Aware School; therefore, please do not bring products with nuts into the school.

We thank you for your attention to and respect for these health concerns and for helping us to keep everyone safe from allergic reactions this school year. If your child has allergies, please bring them to the attention of the Homeroom Teacher so that we are aware of those allergy cautions as well.
