

Reach out to your child's teacher about your child's specific results.

This Year We Worked On:

- Using data to drive our programming and instruction of literacy and numeracy
- Celebration through community engagement and activities
- Cultivating a culture of Spirit, Character, Excellence and Respect (SOAR)

You Can Help By:

- Supporting your child at home, practicing literacy and numeracy skills
- Engagement in and with the school (volunteering, school council, newsletter)

Next Year You Can Look Forward To:

- Further developing literacy by focusing on comprehension
- Further developing numeracy by focusing on fluency and reasoning skills
- Ongoing celebration of student success
